

# VALENTINE MESSAGE

## LoveLibs Letter

Transfer your answers from the fill-in sheet to the corresponding numbers in the letter below.

Dear \_\_\_\_\_ (01)

Don't panic, but I must \_\_\_\_\_ (02) before my boss \_\_\_\_\_ (03) me. You see, I lost my company's \_\_\_\_\_ (04) and now my boss wants me to \_\_\_\_\_ (05) overtime every night. Of course, this means I will see less of you and your \_\_\_\_\_ (06) \_\_\_\_\_ (07), which you know I love to \_\_\_\_\_ (08).

I have begged my boss to allow me to \_\_\_\_\_ (09) early on Valentine's evening and hope you will \_\_\_\_\_ (10) me at the \_\_\_\_\_ (11) for a(n) \_\_\_\_\_ (12) \_\_\_\_\_ (13).

We can \_\_\_\_\_ (14) \_\_\_\_\_ (15)s by candlelight and \_\_\_\_\_ (16) (into) each other's \_\_\_\_\_ (17) \_\_\_\_\_ (18)s. I can \_\_\_\_\_ (19) for at least \_\_\_\_\_ (20) hours before returning to work.

I'm looking at your \_\_\_\_\_ (21) now and wish I could \_\_\_\_\_ (22) you \_\_\_\_\_ (23).

All my love,

Your darling \_\_\_\_\_ (24)
