

Love

The word "Love" is written in a highly decorative, cursive calligraphic font. The letters are thick and fluid, with elaborate flourishes. The 'L' has a large, looping top that curls back. The 'o' and 'v' are connected with a small loop. The 'e' has a long, sweeping tail that curves under the word and then loops back up to the right. Two small, dark silhouettes of birds are perched on the right side of the word, one on the 'e' and one on the final flourish. The entire design is rendered in a dark gray color against a plain white background.
