

# VALENTINE'S DAY MAD LIB

## A GRUMPY VALENTINE

I don't get what the                      deal is... to me,  
(ADJECTIVE)  
Feb. 14 is just another day. I really don't understand  
why every                      in the world loves this day so  
(NOUN)  
much. First of all, there are all the                       
(SHAPE)  
decorations, and everything is covered in                     !  
(COLOR)  
Then, you have to make valentines for all the  
                     and                      in your class.  
(PLURAL NOUN) (PLURAL NOUN)  
(Even if you don't like them!) Next, our teacher,  
                     makes us decorate a                      to  
(PERSON'S NAME) (NOUN)  
put our valentine cards inside. Then, on the dreaded  
day, at                     , everyone passes out their valentines.  
(TIME)  
I don't like to read the                      messages,  
(ADJECTIVE)  
especially from the                     ! The only good  
(PLURAL NOUN)  
thing about Valentine's Day, is eating all the delicious  
                    !
