For a more recent example, consider the following two publications. Both were published in the same journal, *Journal of Clinical Psychology*, and both concerned the same topic, the relationship between depression and anxiety. The first publication was written by a team of researchers from the University of California at Berkeley, and the second was written by a team of researchers from the University of California at Los Angeles. The first publication was written by a team of researchers from the University of California at Berkeley, and the second was written by a team of researchers from the University of California at Los Angeles.

POLY(1,4-BUTYLIC BIS(4-VINYLPHENYL)ETHER)
