

## Test Your Hypothesis

For every car you see going the same direction you are, look at the color. In that color's section below, mark an "X" over one car. Stop when you fill both rows in one color's section.

Start time: \_\_\_\_\_ End time: \_\_\_\_\_

Color	Number of Cars
Red	
Yellow	
Green	
Blue	
Black	
White	
Tan & Brown	
Silver & Gray
