

SEASONS

Spring

Begins on 21st March.

What happens : the snow melts, nature awakes from its winter sleep, the first flowers appear : snowdrops, crocuses, daffodils.. birds come back from the south, new animals are born
What we can do : plant seeds, work in the garden, fall in love

Summer

Begins on 21st June.

What happens : school finishes, holidays start, days get longer, there grow a lot of vegetables and fruit, it is often stormy
What we can do : go on holidays, go to the beach, sunbathe, swim, windsurf, go diving, eat ice-cream, go to an open air cinema, harvest

Autumn

Begins on 23rd September.

What happens : it gets colder, days get shorter, Indian summer comes, leaves have beautiful colours, trees shed their leaves, birds migrate to other countries, it rains a lot, school starts
What we can do : fly kites, rake leaves, carve jack - o' - lanterns, pick apples

Winter

Begins on 21st December.

What happens : the first frosts come, leafy trees are bare, lakes are frozen, roads are icy and slippery, some animals hibernate, there is Christmas ☺
What we can do : make a snowman, have a snowball fight, make snow angels, ski, skate, go sledging, drink hot tea
