Chat With Chloe

Dear Chloe,
I have to point out my friends are my paintings are terrible... what should I do?

Hi! Can you make me happy? If the answer is yes then I may into love it better what your friends say? Being able to express your creativity is a gift... a real jewel of life... and to keep on your art, you looking anyone or anything... I say paint away! Besides, art is completely subjective... being in the eye of the beholder... you may think it's another's treasure... do you get the point? :D

The Art of Giving

The **Season of Giving** is coming up fast and what better way to show someone you care than making them a crafted gift... and to inspire you you may a little better... so get creative and make for a **CRAFTED** Season of Giving.

RECYCLE REUSE RETHINK

HEROES AMONG US

It doesn't take a flashy costume or a steady hand to be an everyday hero. We use all the things in there around us in the best ways we can. Helpful things we do and the goodness of our hearts. So allow goodness to lead you... to help make a better world.

WASHING YOUR MOUTH

GPS DAD

Hi Friend!

The GPS Dad on the blog MyFroggyStuff.blogspot.com is a column to get your "moments" in one of the Froggy Stuff's new videos. The moments usually happen in the places like parks or the public street signs.

New Trend Law

Hi Friend!

Dear my creative friends, the City Council is now has passed a new law... prohibiting peep-a-boo in dress changing in the telephone booth.

Instagram

The world has to Instagram... it is called Instagram... it should be used!
