

# Clean Kitchen

from Curbly.com

## Refrigerator

- Scrub interior with a paste of kosher salt and club soda
- Prevent odors with a

cotton ball soaked in peppermint or lemon extract

## Oven/Stovetop

- Clean stove with a mix of borax and water

- Remove spills and stains with an old toothbrush
- Clean burners and rings with a mix of vinegar and cream of tartar

## Microwave

- Put a bowl of vinegar and water in the microwave, and cook on high for 3 minutes. Wipe down with a clean cloth

## Countertops

- Acrylic and tile: wipe with dishwashing liquid and warm water
- Marble, Granite: Use a non-toxic all purpose cleaner and soft rag

## Coffee Maker

- Run a mixture of 1 part water to 1 part white vinegar

through the brew cycle

- Rinse and run two rounds of fresh water, or until the vinegar smell disappears

## Toaster (Oven)

- Unplug the toaster and empty crumbs
- For a slotted toaster,

pour some kosher salt in the slots, cover them, and give it a shake

- Use an old toothbrush to gently clean off the heating elements

## Sink

- Clean your P-trap or garbage disposal with a cup of baking soda, followed by a cup of vinegar. Let sit for five minutes, then pour in a kettleful of boiling water

## Floors

- Sweep and mop, moving from walls to center
- Laminate, tile: use warm water and dish soap
- Wood: use hardwood floor cleaner
