

Deck the Hall

ALLEGRO

CHORUS

1. Deck the hall with boughs of holly, Fa la la la la la la la la la la.
 2. Set the blazing Yule before us, Fa la la la la la la la la la la.
 3. Fill us, fill us all your joys, Fa la la la la la la la la la la.

Fill the air with song and gladness, Fa la la la la la la la la la la.
 While the snow and ice and frost are, Fa la la la la la la la la la la.
 Hail the yule, ye holly and ivy, Fa la la la la la la la la la la.

Fill us, fill us all your joys, Fa la la la la la la la la la la.
 Fill us, fill us all your joys, Fa la la la la la la la la la la.
 Sing us joy and all our joys, Fa la la la la la la la la la la.

Troll the ancient Yule-tide carol, Fa la la la la la la la la la la.
 While I tell of Yule-tide carols, Fa la la la la la la la la la la.
 Headline of the wind and weather, Fa la la la la la la la la la la.

This is a very old tune and all that is known of its origin is that it comes from Ireland.
