|--------------------------|------------------------|-------------------------|--------------------|--------------------------------|
| as dead as a doornail | primrose path | fight fire with fire | foul play | exceeding well read |
| all of a sudden | star crossed lovers | all the world's a stage | not slept one wink | set your teeth on edge |
| heart's content | high time | Free Space | forever and a day | woe is me |
| too much of a good thing | up in arms | the crack of doom | in a pickle | out of the jaws of death |
| hoist by his own petard | milk of human kindness | love is blind | green eyed monster | wear your heart on your sleeve |
