

# Zoo Math

15 free activity sheets for preK & K

themeasuredmom.com

The image displays three sample activity sheets for 'Zoo Math'. The central sheet, labeled 'Level 2', features five rows of animal illustrations with plus signs and equals signs, followed by empty dashed boxes for answers. The rows are: 1) 3 giraffes + 2 giraffes = [ ]; 2) 1 bear + 1 bear = [ ]; 3) 2 cats + 2 cats = [ ]; 4) 1 lion + 2 lions = [ ]; 5) 3 elephants + 2 elephants = [ ]. To the left, a sheet titled 'Count the number of animals in the zoo' shows a lion, bear, cat, and giraffe. To the right, a sheet titled 'Count the number of animals in the zoo' shows a grid with various animals and counting questions.

**3** levels of difficulty!
