

Our Mad Libs Love Story

When we first met, you looked ___adjective___ and ___adjective___. I couldn't believe my ___part of the body___! You smelled like ___noun___ and walked as graceful as a ___animal___. I couldn't wait to ___verb___ to you.

I ___adverb___ asked you if I could have your ___noun___. I could see a look of ___adjective___ in your eyes. You hesitated for a moment, then gave me a ___noun___.

I finally got to take you on our first date. I loved spending time with you. You could make me ___verb___ so easily, like no one had before. When you touched me, I felt ___noun___ up my ___part of the body___. When you looked at me, I could see ___noun___. I knew we were meant to be together.

After a ___adverb___ night, I was so ___verb___ to bring you home. I longed to ___verb___ you again. You looked at me and said, '___exclamation___' and I just knew. You ___past tense verb___ me and I ___past tense verb___ you.

Here we are after all this time. It feels like it's been ___number___ years! I look forward to ___number___ more. You make me want to ___verb___ and I will ___verb___ you forever. Nobody else could ___verb___ me, like you do.

___adverb___ yours,

Me
