Dear students,

I am so excited to find out you are in my second grade class! We are going to have a great time this year getting to know each other and learning many exciting new things. Because you are getting older, you will be given more responsibilities that will allow you to do more than before. Please talk to me when you have something to share, when you don't understand, or when you're upset. What you have to say is important to me, and I will be here to listen.

I am looking forward to getting to know you very well this year. I want to know what helps you learn, how you like to learn new things, and your opinions. We are going to have a wonderful time this year!

Sincerely,

Miss
