

## What Matters on Valentine's Day

Happy Valentine's Day, I love you  
Although we've only just met  
If I give you a card or a bunch of flowers  
Think of all the chocolate I'll get!

Happy Valentine's Day, my dear  
You mean so very much to me  
Like toffee candies and Hershey's kisses  
And bags of heart-shaped candy

Happy Valentine's Day, my love  
Let's build a lifetime together  
I'll stay with you for a hundred years  
Or until the candy runs out; whichever
