NEW, BEAUTIFUL AND CHEAP!

The four new styles shown below are by far the most attractive Shop Labels we have ever produced. They are shown here (for convenience) in but one color of tint, but in filling orders, each 250 Labels will always contain 3 or 4 delicate, pretty shades of assorted tints. These Labels, unlike other styles of Gilt Bordered Labels, will all be *gummed* and *cut*, and furnished at 40 cents for each 250 Labels to a name. Where 500 or 1000 to a name are wanted, the price charged will be at *same rate*, viz: 80 cents for 500, or \$1.60 per 1000. Style A 4 is adapted to articles requiring directions. Special rates given, on application, where 20,000 or upwards are wanted, 1000 or more to a name. In ordering, name the style, with names of articles, and quantities of each.
