LAYAWAY AGREEMENT

Veteran Computer is happy to accommodate purchases through our layaway plan. To start the layaway, 30% down is required. This 30% installment is non-refundable for any reason.

The length of our layaway plan is 60 days. The expiration date of this contract will be clearly stated below. If the last day of the contract falls on a day that we are closed, this contract will be automatically extended through close of business of our next business day. If the contract is not fulfilled by the expiration date, the merchandise will be returned to the sales floor. This contract cannot be extended.

Although we encourage regular payments, they are not required. You may cancel this agreement anytime prior to this contract's expiration. Any money paid, beyond the initial 30% will be refunded in the same manner it was paid. For example, if you pay by credit card, we will refund your credit card. If you pay by debit card, and the debit card has cleared our bank, we will refund in cash. You will, of course, have to be present for this refund.

Any warranty on the merchandise will begin on the date of pick-up.

If you have any questions regarding the terms of this contract, please contact us Monday-Friday 7:30am-6:00pm, or Saturdays 8:00am-4:00pm. You may also call and leave a message after hours. We will gladly return your call on our next business day.

The undersigned hereby agrees to the terms of this contract.
