

# BEEN THERE DONE THAT!

Are your party guests wild or mild? Find out your friends' deep, dark secrets and share in their funniest stories with this great party game.

Print out a copy for you and your guests. Read the questions aloud and have your guests shout "I did it!" for every activity on the list they've done.

Have them keep track on their own list, too. Feel free to press your guests for more details once they TEE up to the dead at hand. Whoever's done the most items, wins! Feel free to also name winners for the person who's done the least things, or the best story told.
