Last night I went to the most \_\_\_\_\_ Halloween  
ADJECTIVE  
party! The invitation was delivered by \_\_\_\_\_  
ANIMAL  
and told me to go to the deep dark \_\_\_\_\_  
PLACE  
and \_\_\_\_\_ all the way to the very top of the  
VERB  
spooky \_\_\_\_\_. I \_\_\_\_\_ the doorbell  
NOUN VERB (PAST TENSE)

ADVERB EXCLAMATION FRIEND'S NAME  
the door dressed up as \_\_\_\_\_ and said  
CELEBRITY  
“ \_\_\_\_\_!” There were \_\_\_\_\_ different  
SILLY WORD NUMBER  
costumes, including \_\_\_\_\_ ghouls and mummified  
ADJECTIVE  
\_\_\_\_\_. The music was loud and \_\_\_\_\_, so

VERB (PAST TENSE) BODY PART (PLURAL)  
also delicious treats to \_\_\_\_\_, like candy corn and  
VERB  
chocolate-covered \_\_\_\_\_, but my favourite part of  
NOUN (PLURAL)  
the party was the pumpkin \_\_\_\_\_ and bobbing for

NOUN (PLURAL)  
it will be even more \_\_\_\_\_!
