

LEFT-RIGHT OFFICE PARTY GAME

This is a classic way to distribute Secret Santa gifts and much more fun than the traditional way of just pulling names out of a hat.

One person is the narrator and the others sit or stand in a circle or around the board room table. One or more gifts (or wrapped booby prizes, embarrassing items or forfeits!) are distributed among the players. When the word **LEFT** is read, everybody hands their gift one

person to the left and vice-versa. Don't forget to emphasize the words **LEFT** and **RIGHT** as you read, so people know when to pass their gift. When the story ends, whoever is holding a gift must open it in front of everybody!

Takes turns unwrapping items for maximum embarrassment potential.. Make sure none of the managers get away with sitting on the sidelines.
