

Base

Top Base

Teeth

**Step #1:** Tape the **TOP BASE** piece to the top corner of the base, but only tape along the two corner edges using transparent tape. Add a piece of **transparent tape** on the top edge of the **TOP BASE** and wrap it around the corners of the **TE** piece. (See Fig. 1)

**Step #2:** Put some glue on the flat part of the **teeth** and glue inside the bottom of the **TOP BASE**. Make sure only the zig-zags are showing...hide the strip under the top base piece. (See Fig. 2)

**Step #3:** Add googly eyes or stickers above the teeth. (See Fig. 4)
