

Angry Birds Printables

PreK and K learning skills from homeschoolcreations.net

Tracing activity for the letter 'P'. It features a green pig character and the letters 'Pp' in a large font. Below are three rows of 'pig', 'P', and 'p' for tracing. A red bird character is also present.

more, less, or equal?

Comparison activity with five rows of icons. Each row has a central empty box for a comparison symbol. The icons are: 3 red birds vs 4 blue birds, 2 red birds vs 3 blue birds, 1 green pig vs 2 yellow birds, 2 blue birds vs 3 green pigs, and 4 yellow birds vs 2 black birds. Below are symbols for less than (<), equal (=), and greater than (>).

Roll and Graph Prediction & Quantification

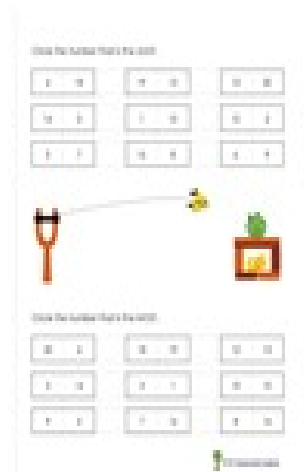

Roll and Graph activity. It includes a dice and a grid for recording results. The grid has columns for different bird colors and a row for the number of birds. Below the grid are several empty boxes for recording data.

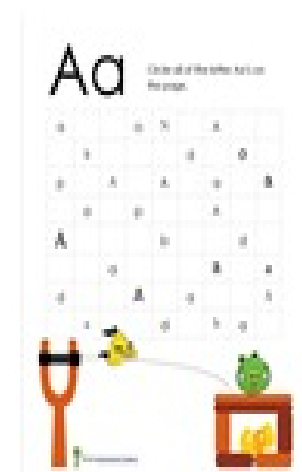

Labeling activity with six rows of icons and their corresponding labels: red bird, yellow bird, blue bird, white bird, black bird, pig, slingshot, egg, and structure.

How the number three is used

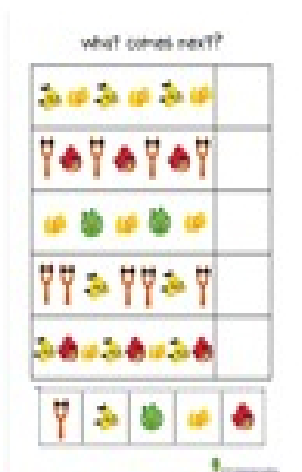

Number 3 activity. It features a slingshot and a pig in a cage. Below are two sets of three boxes for writing the number 3. A line connects the slingshot to the pig.

Aa

Letter Aa activity. It includes a grid for writing the letter 'A'. Below the grid is a slingshot and a pig in a cage. A line connects the slingshot to the pig.

what comes next?

Pattern activity. It features a grid with a sequence of icons: yellow bird, red bird, blue bird, yellow bird, red bird, blue bird, yellow bird, red bird, blue bird. Below the grid are several empty boxes for recording the next icon in the sequence.
