

Birthday TRUE OR FALSE

How well does everyone know the guest of honor? Find out in this True or False game. Before the party starts, ask the guest of honor to fill out these twenty question prompts with some true and some false answers – and to keep the answers secret.

If this is a surprise party, you can get them to fill in the quiz after the party starts! The birthday guest can be as creative as they wish. Print and cut out the supplied answer cards and give one to each guest (apart from the guest of honor). Each player must circle 'True' or 'False' for each story that is read out loud. Then have the guest of honor reveal whether or not it's really true. Whoever gets the most right, wins!
