

Milestone Memories

Can you recall something significant from each year of the guest of honor's life? Print out this game, and gather the guests together. Split the guests into two teams.

The first team can recall an event from any year. (When he was 33 he got his first apartment! When she was 38 she got engaged etc.) The game goes back and forth between teams until one team can't recall any more significant events for the blank years. The guest can confirm if their answers are correct or not. If they guess wrong, the team loses that turn. The host can write down the events on the printable and present it to the guest of honor as a keepsake. The last team to fill in a blank wins!
