

“LIFE QUOTES”

it's the little
moments
that make

life
BIG

fRiENDs
are the
sunshine
of
life

This is my

life

And I...

Life is like a
camera
Just focus on
what's important...

In life what you
really want, will never
come **easy**

At **some** point,
you have to realize
that some **people**
can stay in your
heart forever,
but not in your
life
