### Fat Cat

There was a cat that was real fat.  
He wore a hat and sat on a mat.  
He was the laziest pet you had ever met.  
He wouldn't get wet or go to the vet.  
All he would do was sit, sit, sit!  
If you tried to move him, he'd throw a fit, fit, fit!  
He'd sit in his spot, quite a lot.  
He would not move even if he was hot.  
Even when the mutt would strut on by,  
He'd just lie on his gut  
And his eyes would stay shut!  
Then one day he saw a rat, and off the mat he did scot.  
SPLAT!  
FLAT RAT!  
FAT CAT!
