

Thanksgiving Dinner Chaos

Last Thanksgiving, my family decided to cook a giant _____ (adjective) turkey. We stuffed it with _____ (plural noun) and basted it with _____ (liquid).

While the turkey was roasting in the _____ (place in a house), my _____ (family member) accidentally dropped the _____ (noun) into the _____ (appliance). The whole house smelled like _____ (food) for hours!

At the dinner table, we passed around the _____ (plural noun) and argued about who got the last piece of _____ (dessert). My cousin stood up and gave a _____ (adjective) speech about being thankful for _____ (noun) and _____ (celebrity).

Finally, we all held hands, said _____ (silly phrase), and ate until we were _____ (adjective).
