

I See Fall

(Sight words: I, see, the, in, is)

I see the leaves,
I see them fall.
I see the pumpkins,
I love them all!

Autumn Time

(Sight words: it, is, we, like, to)

It is fall, the air is cool,
We like to jump at school!
Leaves go crunch beneath our feet,
Autumn days are fun and sweet.

I Like Fall

(Sight words: I, like, to, see, the)

I like to see the red,
I like to see the gold.
I like to wear my sweater,
When the days turn cold.

Pumpkins Everywhere

(Sight words: we, see, the, big, and)

We see the pumpkins,
Big and round.
Orange and shiny,
On the ground.
