

MATH HALLOWEEN

Brain Teasers

Use the row totals to work out the value of each object.

$$\begin{array}{ccc} \text{cauldron} & + & \text{cauldron} & + & \text{cauldron} & = & 36 \end{array}$$

$$\begin{array}{ccc} \text{cauldron} & + & \text{pumpkin} & + & \text{pumpkin} & = & 28 \end{array}$$

$$\begin{array}{ccc} \text{moon} & + & \text{cauldron} & + & \text{pumpkin} & = & 27 \end{array}$$

$$\begin{array}{ccc} \text{pumpkin} & + & \text{ghost} & - & \text{moon} & = & 5 \end{array}$$

$$\begin{array}{c} \text{pumpkin} = \text{ghost} = \text{cauldron} = \text{moon} = \end{array}$$
