

Math Brain *for Classroom*

Can you solve this riddle?

$$\bigcirc + \bigcirc = 10$$

$$\bigcirc \times \square + \square = 12$$

$$\bigcirc \times \square - \triangle + \bigcirc = \bigcirc$$

$$\bigcirc = \underline{\quad 5 \quad} \quad \square = \underline{\quad 2 \quad} \quad \triangle = \underline{\quad 10 \quad}$$
