

I have hands but no arms, and a face but no eyes. I help you stay on time!

I have four legs but cannot walk. I'm where you sit to eat and talk.

I'm cold inside, but I keep your food fresh. Open my door for a chilly breath.

I have many teeth but never bite. I help make your hair look just right.

I'm full of holes but still hold water. I help you get clean after a day of laughter.

I have a spine but no bones, and many pages but no voice.

I get wetter the more I dry. You use me after you wash, oh my!

Put me on before you go outside; I protect your feet on every ride.
