

## Travel Ad Libs

Last summer, I packed my \_\_\_\_\_ (adjective)  
suitcase and got on a \_\_\_\_\_ (vehicle) to travel to \_\_\_\_\_ (place).

On the way, I saw a \_\_\_\_\_ (adjective) \_\_\_\_\_ (animal)  
sitting on a \_\_\_\_\_ (noun)!

The animal started \_\_\_\_\_ (verb -ing) and then tried to \_\_\_\_\_ (verb)  
across the road.

Soon I met some friendly \_\_\_\_\_ (plural noun) who invited me  
to eat \_\_\_\_\_ (food) with them.

It was the most \_\_\_\_\_ (adjective) vacation ever!
