

The Special Spring Surprise

Bella the Bunny is very busy! Every spring, she wakes up early to decorate eggs for the big neighborhood hunt. She uses bright colors like yellow, pink, and blue.

Bella hides the eggs in clever places. She puts some behind the big oak tree and others under the soft green bushes. Her favorite part is watching her friends find them. After the hunt is over, everyone shares delicious chocolate carrots and jelly beans in the sunshine!

Questions

1. What is the bunny's name?

2. What colors does she use to decorate the eggs?

3. Where are two places that Bella hides the eggs?

4. What treats do the friends eat after the hunt?
