

# In Loving Memory

---

---

Your life was a blessing,  
Your memory a treasure.  
You are loved beyond words  
and missed beyond measure.  
Though we cannot see your smile  
or hear your gentle voice today,  
The love you gave will guide our hearts  
and never fade away.

We hold you close within our hearts,  
and there you shall remain.  
To walk beside us every day,  
until we meet again.  
Your kindness, strength, and loving ways  
will stay with us forever.  
For those we truly love are never gone  
from us completely.
