

*Forever Loved*

---

---

**Lord, grant us peace in this time of sorrow,  
and comfort our hearts with Your endless love.**

**Though we mourn the loss of someone so dear,  
we trust they now rest safely in Your care.**

**May Your light shine upon them always,  
and may happy memories bring us strength each day.**

**Help us to remember not only the sadness of goodbye  
but also the joy of a life beautifully lived.**

**May we carry forward their kindness,  
their laughter, and the love they shared so freely.**

**Until the day we meet again,  
may Your grace surround us with hope and peace.**
