

In Loving
Memory

*Forever
Remembered*

Your life was a gift
to all who knew you,
filled with kindness, love,
and moments that will forever
remain in our hearts.

Though we must say goodbye for now
the memories you created
and the love you shared
will continue to bring comfort
and strength to those
who loved you most.

As we remember your beautiful life,
may we hold close the laughter,
warmth, and joy you brought
into this world.

Though you are gone from our sight,
you will never be gone from our hearts.
You will be deeply missed,
lovingly remembered,
and forever cherished.
