

# Camping Mad libs

*Last weekend, my family went camping near Dieng Plateau.  
We packed \_\_\_\_\_ (plural noun), \_\_\_\_\_ (food),  
and a fluffy \_\_\_\_\_ (animal).*

*When we arrived, Dad tried to build a fire using a  
\_\_\_\_\_ (tool), but accidentally dropped it into a  
\_\_\_\_\_ (container). Everyone laughed  
while Grandma danced to music by Ed Sheeran.*

*That night, we heard a spooky \_\_\_\_\_ (sound)  
coming from the woods.*

*My little brother grabbed a \_\_\_\_\_ (object)  
for protection, but it was only a hungry  
\_\_\_\_\_ (animal) looking for snacks.*

*The trip was so \_\_\_\_\_ (adjective)  
that we can't wait to go camping again!*
