

MEMORIAL DAY FLAG RAISING

On Memorial Day morning, many families gathered at the town park. The sky was bright and clear. Everyone stood quietly as the flag raising ceremony began.

Two soldiers slowly lifted the American flag up the tall pole. As the flag waved in the wind, the people placed their hands over their hearts. Some veterans saluted.

The mayor gave a short speech to honor brave men and women who served the country. A student played music on the trumpet. Red, white, and blue flowers were placed near the memorial.

At the end of the ceremony, everyone felt proud and thankful. Memorial Day is a time to remember heroes and show respect for their sacrifice.
