

## *Always In Our Hearts*

Though your journey on earth  
has come to an end,  
the love you gave  
and the memories you left behind  
will remain with us forever.  
Your gentle spirit, caring heart,  
and comforting presence touched  
so many lives, and those moments  
will continue to shine brightly  
in our hearts each day.

We take comfort in knowing  
that love never truly fades.  
In every cherished memory,  
quiet moment, and shared story,  
your spirit lives on.

You will always be remembered  
with love, gratitude, and deep affection  
by all who were blessed to know you.
