

Forever Loved

Cherished Memories

*In loving memory, we gather to honor
and celebrate a life filled with love,
kindness, and beautiful memories.
Though our hearts are saddened by this loss,
we are grateful for every moment shared,
every smile given, and every life
touched by such a wonderful soul.
Their love and presence
will forever remain in our hearts.*

*Though no longer with us in person,
their spirit will continue to live
on through the memories
we cherish and the love they shared so freely.
May we find comfort in remembering
a life well lived, and peace
in knowing they will always
be remembered,
deeply loved, and forever missed.*
