

A vibrant summer-themed invitation template. The background is a light beige color with various summer motifs: a large orange sun in the top left, green palm leaves in the top right and middle left, a pink flower on the middle left, and a large yellow flower with a red center in the bottom right. At the bottom, there are two lifebuoys (one blue and yellow, one red and white) and a blue wavy line representing water. The text is centered and reads: "Come and Join Us!" in a red, sans-serif font, followed by "SUMMER PARTY" in a large, bold, orange, sans-serif font with a white outline. Below the title are three white, rounded rectangular input fields for event details.

**Come and Join Us!**
