

Hands Down,  
You' re the Best Dad!

This little handprint is just for you,  
To show my love in all I do.  
Though I am small and still must grow,  
My love for you will always show.

One day my hands will be big like yours,  
Reaching high and opening doors,  
But for now, this print is a special way,  
To say I love you this Father' s Day.
