

**Dad, you are my hero,  
My guide and shining light,  
You always help and cheer me on,  
And make my world so bright.**

**You make me laugh and smile each day,  
With every joke you do,  
And no matter where life takes me,  
I'll always look up to you.**

**Thank you for your hugs and love,  
And all the things you do,  
I'm so lucky and proud to say  
That I belong to you.**

**Happy Father's Day!**
