

# Love Letter Mad Libs

My Dearest \_\_\_\_\_ (Name),

I can't believe our wedding day is finally here!  
This morning I woke up feeling \_\_\_\_\_ (emotion)  
and a little \_\_\_\_\_ (adjective).

The moment I saw you, my heart started \_\_\_\_\_ (verb ending in -ing)  
like a \_\_\_\_\_ (animal) on a sugar rush.

From our first date at \_\_\_\_\_ (place) to our unforgettable trip  
to \_\_\_\_\_ (place), you've always made me feel \_\_\_\_\_ (adjective).

I love the way you \_\_\_\_\_ (verb), the way you \_\_\_\_\_ (verb),  
and especially the way you \_\_\_\_\_ (verb) when nobody is watching.

Today, I promise to always bring you \_\_\_\_\_ (plural noun),  
share my \_\_\_\_\_ (noun), and support your dreams of becoming  
a world-famous \_\_\_\_\_ (occupation).

No matter if we're rich enough to own a \_\_\_\_\_ (noun) or living  
in a tiny \_\_\_\_\_ (place), I know we'll be happy together.

Whenever life gets \_\_\_\_\_ (adjective), let's remember  
to eat \_\_\_\_\_ (food), watch \_\_\_\_\_ (movie title), and laugh  
until we \_\_\_\_\_ (verb).

Thank you for being my \_\_\_\_\_ (noun), my \_\_\_\_\_ (noun),  
and my favorite person to \_\_\_\_\_ (verb) with.

Forever yours,

\_\_\_\_\_ (Your Name)
