

A candy cane with red and white,
Shares a message warm and bright.
The letter J reminds us today,
Of Jesus, who guides us on our way.

The red reminds us of His love,
A precious gift from God above.
The white reminds us of His grace,
And the hope we find in His embrace.

This candy cane is more than sweet,
A little message we can keep.
At Christmas time, let hearts rejoice,
And praise His name with joyful voice.

Remember Jesus, God's greatest gift,
Whose love can always help us lift.
